19th May 2022

Dear Parents and Carers,

As you will no doubt remember, Park School was inspected by Ofsted during March 2022, and I am pleased to be able to share with you our full Ofsted report, now that it has been published on the Ofsted website.

I am incredibly proud of all the staff and students who contributed to the evidence base for our inspection, and our achievement of a Good overall grade, in every category.

The report has also given us permission in principle to expand the school into our new building which we have been preparing in Shipton under Wychwood. Once the full approval for this has been processed by the DfE I will be in contact again to invite you to view our new facility and to share with you our plans for its development.

I am attaching our inspection report electronically as a PDF file, but if you would like a paper copy please do not hesitate to contact the office and we will arrange for one to be sent home with your son or daughter by 'pupil post'.

If you have any questions regarding the report, please do not hesitate to contact school.

Best wishes

Jim Davis
