Jim's Jottings!

I just wanted to write a few words to say how amazing it was to read the new weekly newsletter. The school council team have clearly worked very hard to get this going and I was impressed with the range of content and in particular the weekly joke spot.

Last week, students from the school council have helped in selecting a new member of staff. They grilled the candidate on her likes and dislikes and tried to find out the most interesting fact she had. She was very impressed by the quality of the questions asked of her, and so was I. Well done to the school council team!

This week we will be keeping a watchful eye on the weather, just in case it snows. All the students now know what we will do if we are unable to open the school due to bad weather. Have a lovely week.

Jim

★ WOW WORK! ★

This week, Group 1 have written poetry entries for a national competition. Both Melissa and Henry were inspired by animals to create their poems and worked independently to create some very imaginative work. The entries have been posted off and, if they win, their work will be published in a book!

Dylan in Group 6 has created this shoe using the blotted line printmaking technique and then applied colour.
