

The Weekly Times
Issue 04

Monday 5th February 2024

Safer Internet Day is taking place on 6th February this year. The theme is: 'Inspiring change? Making a difference, managing influence and navigating change online'. We will be investigating your prospective on new and emerging technology, using the internet to make change for the better, the changes you want to see online, and how we are influence by what we see both online and offline. If you want to find out more; visit:

National Storytelling Week

Thank you for all the great entries for National Storytelling week; I really enjoyed reading them all. I have chosen two winners; one for Upper School and one for Lower school as I couldn't choose just one.

For Lower School, the winner is Oscar's amazing Minecraft story. I loved that he also made his own book with illustrations. For Upper School, the winner is Alex S with his very scary story. I was impressed with all the description to keep you guessing. Well done! **Hannah F (Deputy Headteacher)**.
