Diwali – Festival of Lights

Diwali, also known as Deepavali, is one of the most important festivals celebrated by Hindus, Sikhs, Jains, and some Buddhists around the world. The word *Diwali* means "row of lamps," and the festival is often called the "Festival of Lights." It usually takes place in October or November and marks the victory of light over darkness and good over evil. During Diwali, homes are cleaned, decorated with colourful rangoli patterns, and lit up with candles and diyas (small lamps). Families exchange gifts and sweets, wear new clothes, and gather to enjoy festive meals. Fireworks fill the night sky, symbolising joy and celebration.

Diwali reminds every one of the importance of kindness, gratitude, and hope — values that bring light into our lives and our communities all year round.
