**HOLOCAUST
MEMORIAL
DAY 27/1**

Monday 26th January 2026

Holocaust Memorial Day 2026

Holocaust Memorial Day takes place on **27 January** each year. It is a day when people remember the millions of men, women and children who were killed during the Holocaust, as well as people harmed in other genocides around the world.

On this day, schools and communities remember by lighting candles, holding assemblies, listening to survivor stories, or taking a moment of silence. These acts help us show respect and kindness to those who suffered.

Holocaust Memorial Day is important because it teaches us about the dangers of hatred, bullying and discrimination. It reminds us that words and actions matter, and that everyone deserves to be treated fairly and with respect.

By remembering the past, we can help build a kinder future. Holocaust Memorial Day encourages us to stand up for others, challenge unkind behaviour and choose compassion every day.
