🎉 Celebrating 100 Editions of the Park School Newsletter!

What an amazing milestone! This week we are celebrating the **100th edition of the Park School Newsletter!**

Our newsletter was first launched on **Monday 15th January 2024**, following an idea from the 2023–2024 Student Council. They thought it would be a great way for students to keep up to date with important school news, celebrate achievements, enjoy funny jokes, find out what was happening each week and raise awareness of important topics.

Since then, the newsletter has become an important part of our weekly school life. It gives students a chance to share their talents, showcase their work, celebrate successes and have their voices heard.

A huge thank you to everyone who has contributed over the past 100 editions, especially our students who make each newsletter special with their articles, drawings, ideas and contributions.

Here's to 100 editions and many more to come! We can't wait to see what the next 100 bring! 🎉
