GCSE Results – Congratulations!

We would like to say a **massive congratulations** to all of our Year 11 students from last year who received a fantastic range of GCSE results over the summer. All of their hard work, determination and effort truly paid off, and we are incredibly proud of everything they achieved.

We would like to wish all of our former Year 11 students the very best of luck as they embark on their next steps, whether that be further education, apprenticeships, training or employment. We hope they continue to work hard and achieve their goals.

A **special congratulations** must also go to **Darragh and Jake**, who both achieved fantastic GCSE grades **a year early** – an incredible achievement!
