Anti-Bullying Week – Break the Silence!

Anti-Bullying Week is an annual event in the UK that encourages everyone to stand together against bullying and promote kindness, respect and inclusion. It is an opportunity for schools, families and communities to raise awareness of bullying and remind everyone that **bullying is never acceptable**.

Bullying can take many forms, including name-calling, teasing, leaving people out, spreading rumours or sending hurtful messages online. It can have a big impact on someone's confidence, happiness and mental health. Everyone deserves to feel safe, valued and respected, both in school and outside of it.

We can all play a part in stopping bullying! Be kind to others, include people in activities, think before you speak or post online, and treat everyone with respect. If you see someone being bullied, don't join in or ignore it. Speak to a trusted adult who can help.

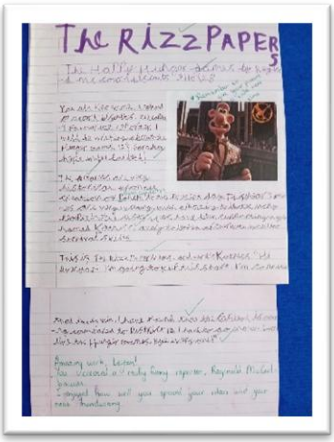

Remember: Small acts of kindness can make a BIG difference. Together, we can make Park School a safe, happy and bully-free place for everyone!
