National Teacher Day – Thank You, Teachers!

Teachers do much more than teach lessons! They help us learn new skills, discover things we enjoy, overcome challenges and believe in ourselves. They spend time planning lessons, marking work, supporting students, answering questions, organising activities and making sure everyone feels safe, valued and included.

National Teacher Day is a great opportunity to stop and think about all the hard work teachers and school staff do every day to help students succeed.

So, how can you celebrate? You could simply say **"thank you"**, write a kind note or card, give a teacher a shout-out, or tell them something you have enjoyed learning. You could also show your appreciation by working hard, being respectful, listening in lessons and helping to create a positive school community.

A small thank you can make a **BIG difference!** 🌟

Thank you to all the amazing teachers and staff who help us learn, grow and achieve every day!

Marcus Rashford

Marcus Rashford is an English footballer and campaigner. He has played for Manchester United and England and is also well known for helping children and families facing food poverty. Marcus used his platform to campaign for free school meals and better opportunities for young people. His determination shows how sport, courage and using your voice can make a positive difference.

“CHANGE DOESN'T HAPPEN BY ITSELF. YOU HAVE TO BE THE CHANGE.”

– MARCUS RASHFORD
