

Outcomes
First Group

13th October 2026

Dear Parents and Carers,

We wanted to share a few updates and reminders with you as we move further into the term.

Now that our new children have had time to settle into school and we have had the opportunity to get to know everyone a little better, we will be making some changes to our class groupings. The children will be told about their new classes and teachers on Wednesday, and their new teachers will contact parents tomorrow to introduce themselves.

We completely appreciate that changes to classes can sometimes cause a little anxiety, for both children and parents. Please be reassured that a great deal of thought and care has gone into the new groupings.

We have considered the needs, friendships and dynamics of the children carefully, and we feel that the new class mixes look very positive. As always, we will support the children through the changes and help them to feel happy and confident in their new groups.

We would also like to take this opportunity to remind everyone about snacks brought into school. Please ensure that children do not bring sweets, chocolate, fizzy drinks or any drinks containing caffeine into school. We appreciate your support in helping us to encourage healthy choices during the school day.

Finally, a reminder that **Monday 2nd November is an INSET day**. School will therefore be closed to children on this day.

Thank you, as always, for your continued support and understanding.

Warm regards,

Lise Sugden
